

MAKE YOUR HOME **YOUR** OWN

SYNERGY

THE INFINITY

Loving, living life.

For fully independent living choose the Infinity curved stairlift.

Your home should never be your biggest obstacle. Negotiating the stairs shouldn't stop you from doing the things you want to do. By choosing the Infinity curved stairlift, you can continue enjoying your home without worry. Our smart solution offers a discrete option that complements your home. A variety of options and tailor-made design, mean we truly are 'Bespoke'.

THE INFINITY

Live **active** and independent from today.

Every part of the Infinity stairlift has been designed with you in mind.

The chair, compact, yet comfortable and the slimline twin tube rail leave plenty of room on the staircase and your home is never compromised.

With our range of features you can have the stairlift of your choice to suit both you and your home

- Standard or plus models to suit all types of user.
- Manual or powered swivel options.
- Variety of upholstery colours to suit your home.
- Sensitive safety edges ensure the chair will safely stop should something obstruct the stairs.
- Remote control operation.
- Ergonomic joystick control.
- Simple, intuitive operation.
- Safety as standard.

THE SYNERGY

Designed for living.

The straight stairlift solution to regain your independence.

Straight staircases shouldn't stop you enjoying your home. The Synergy straight is a simple to use stairlift that can transform your day-to-day life. The Synergy leaves as much space as possible on the stairs for other users and the chair folds neatly against the wall so your home can become your home once again. Our innovative design offers unparalleled stability and ride quality.

SYNERGY

THE SYNERGY

Be **active** without compromise

The Synergy straight stairlift, simple in its operation yet detailed in design. This compact design has a host of hidden features allowing you to reclaim your independence at home.

The slim design of both the rail and chair fits neatly against the wall leaving space on your staircase for others to use.

- Stylish in its appearance yet safe in its operation.
- Footrest link as standard.
- Range of upholstery options to suit you home.
- Diagnostic LED as standard.
- Compact fold away design to complement your home.
- Ergonomically designed for ease of use for those with limited mobility.
- Fast installation, in most cases can be completed in under 2 hours.
- Variety of options to suit your mobility requirements.

Cleverly curved

Bespoke Stairlifts have been providing quality stairlift solutions for over 15 years. Our commitment to providing the best solution to our users has always been our priority.

Our ever growing family of products offers a comprehensive range of solutions that will help you regain the freedom of your home. Our **Infinity** curved stairlift cleverly negotiates even the most complicated of staircases, utilising a variety of options.

Simply straight

For simpler straight staircases the **Synergy** straight is a premium stairlift that can instantly transform the way you move around your home. Simple to use without compromising safety.

“Bespoke Stairlifts have made my life so much easier, I can keep active in my own home”

Brenda Jones, Wiltshire.
